

The congress will feature the latest innovations and most modern technology for the production of fruit juices and juice-based soft drinks. The delegates expected come from all over the world to discuss the future challenges of the industry and solve their tasks with leading experts face to face.

The congress is conducted in English and German with simultaneous interpretation

**September 15 - 16 September 2009, Munich/Germany (prior to the „Oktoberfest“)**  
ICM, Neue Messe München in partnership with the world fair for beverage technology:
